**Chapter Events** On June 15, 2008 members of the Colonel Fielding Lewis Chapter participated in the 42<sup>nd</sup> Rainbow Division Veterans Memorial Foundation's Purple Heart Jewel event held at HurKamp Park in downtown Fredericksburg. The event was prompted by Ludwig Stoeckl, a goldsmith and master jeweler from Dachau, Germany crafting a Purple Heart Jewel, an art replica of the honored medal, to present to the 42<sup>nd</sup> Rainbow Division for its actions in liberating the infamous Dachau concentration camp and the town of Dachau on 29 April 1945. Mr. Stoeckl wanted to express his long-standing gratitude for actions of the 42<sup>nd</sup> Division and even more importantly, the ideals of American democracy. He chose the Purple Heart engraved with the image of George Washington on its reverse side, as his means of expression. Stoeckl stipulated that with the 42<sup>nd</sup>'s acceptance of the jewel made of 18 carat gold and 29 diamonds honoring the day in April, 1945 of liberation from Nazi rule, that the event also be used to generate support for the troops of the present 42<sup>nd</sup> Division in the war on terrorism.

Compatriot Jim Clemons, wearing two hats, one as the Chapter's Veterans Chair, the other as Memorials Officer for the Rainbow Division Veterans organizations, and on whose shoulders fell the task of putting together the entire event, from logistics coordinator, media agent, script writer to producer/director, chose Fredericksburg's HurKamp Park as the site for the event. The reason was that the area is the historic site of George Washington's boyhood home. As main characters in the event, Chapter compatriots Skip Nolan as Brigadier General George Weedon, Colo. Fielding Lewis portrayed by Bob Bailey, and General von Steuben, portrayed by historic impersonator Dr. David Valuska, General George Washington by historic impersonator Greg Fisher made the PHJ event a great success. The Purple Heart Jewel was donated by the Rainbow Division Veterans to the Virginia Holocaust Museum in Richmond and a public program was launched by the Rainbow veterans in support the Family Readiness Group of the 42<sup>nd</sup> ID (M), NY NG, Troy, New York. The Veterans Chair extends to the Chapter his sincerest of thanks for the support provided, support which ensured the event's success.

## President's Call

Compatriots,

A number of noteworthy happenings have occurred since our last newsletter in May.

Our May meeting featured a talk on the George Washington Foundation by our own Susan Bailey (Bob Bailey's better half). She gave us a good insight into what is happening at Kenmore and Ferry Farm. This program was an excellent lead-in to the program we will have at our 10<sup>th</sup> Anniversary Celebration at Kenmore scheduled for Saturday, September 13<sup>th</sup>.

Wink and I, along with Cilla and Mike Tomme (our SAR friends from the Georgia Society; Mike is also a dual member of the Virginia Society), attended the National Memorial Day Parade in Washington, DC held on May 26, 2008. Mike is the Adjutant of the National SAR Color Guard and he met up with other members of various state societies, including our own Rob Andrews and CFL dual member Chuck Bragg. Under the direction of Larry Perkins, National SAR Color Guard Commander, these compatriots put on a very professional performance as one of the units that marched in the parade.

On June 7<sup>th</sup> a group of compatriots from the Florida, Georgia, North Carolina, South Carolina, Tennessee and Virginia Societies of the SAR, along with members of the DAR, CAR and some historical societies, met in Lincolnton, NC to commemorate the Battle of Ramsour's Mill. Wink and I, along with dual member Bob Bowen attended this event and represented our chapter and VASSAR.

For those of you who missed our special Flag Day program presented by members of Chapter 545 of the National Sojourners on June 14<sup>th</sup>, all I can say is you missed seeing one of the most moving demonstrations of what our national flag means stripe by stripe and star by star. The Sojourners are a patriotic organization of Masons and their goals are very similar to those of the SAR. We will definitely have to invite them back for an encore in the near future.

Sunday, June 15<sup>th</sup> found a number of chapter members in Hurkamp Park in Fredericksburg witnessing a very special ceremony led by CFL Compatriot Jim Clemons. This ceremony transferred a special Purple Heart Jewel created by Herr Ludwig Stoeckl of Dachau, Germany through the 42<sup>nd</sup> Rainbow Division Veterans Memorial Foundation to the Virginia Holocaust Museum. Participants in the ceremony included CFL Compatriots Bob Bailey portraying Col. Fielding Lewis and Skip Nolan portraying General George Weedon. Re-Enactors were also present portraying General George Washington (who commissioned the first Purple Heart award) and General Von Stuben.

The next event for Wink and I was the NSSAR's 118<sup>th</sup> Annual Congress in Sacramento, CA. The temperature stayed pretty much in the 100's during the congress but it was bearable due to the low humidity. We had a great time seeing old friends and meeting new ones. One of our highlights was having the privilege of seeing the Virginia Society's own Joe Dooley elected as Genealogist General. VASSAR was well represented by primary and dual members at the congress including incoming and outgoing President Generals David Appleby and Bruce Wilcox. Next year's congress will be held in Marietta, GA and Wink and I are especially looking forward to this event because it is being held in a hotel that is only about 20 minutes from our granddaughters (and their parents).

We are very excited about our special 10<sup>th</sup> anniversary luncheon this Saturday, 9/13 at Kenmore. We have had more response to this event than I can remember and most all of our Past Presidents will be there along with a number of compatriots who were very instrumental in forming the chapter. If anyone hasn't responded to my various emails concerning this event and wishes to attend on Saturday, please call me no later than Thursday at Noon so that we can add you to the list and make sure we have enough food for everyone. If you do miss this event, the next newsletter should have plenty of pictures.

Finally, as we are coming up on our annual awards meeting in November I am asking for your help in identifying someone for our chapter Heroism award. If you know of a person, young or old, who has performed an act of heroism, please let me know so we can properly honor him or her. Just email me at [wrouse4sar@aol.com](mailto:wrouse4sar@aol.com) or call me on (540) 659-5258.

Wayne Rouse, President
